Practicum B Application

Please complete your practicum application below.

Thank you!

All practicum B placements require that you observe two cooperating teachers in Math, Science, and Social Studies for 75 **hours in one semester. In order to complete your hours, you will need to have** one **full day** and one half day **open each week. This practicum requires excellent time management skills and planning. Because we utilize a lottery system to remain fair in assigning practicum placements we cannot guarantee your preference of school division.**
